

Soul Retrieval

A Healing Experience of Bringing Back the Fragments of your Self

Feeling like there's a part of you missing?
That somehow, no matter what you do, things simply don't change?
Tired of being tired?
Get up and go got up and went?
Feeling like "I'm not all there"?

Join Annette and Karen for the healing experience of Soul Retrieval, an ancient practice of restoring lost vitality. Learn about Soul Loss, its causes, and how it impacts our lives.

"It is our birthright to fully express our souls. Life without meaning equals despair. It is time for all to collect back our lost pieces and remember why we were born into this world. Then, we are truly healed and can live our lives in harmony and help others to do the same."

- **Sandra Ingerman**, *Soul Retrieval - Mending the Fragmented Self*
